Actioning change: A project responding to felt needs

Workshop 1

For you personally, what are the felt needs of the Samoan community to improve the educational opportunities for all?

Increased parent involvement in children's learning.

Improved communication amongst stakeholders: parents ↔ teachers ↔ children

Greater sense of belonging: Within the Samoan culture, within the wider community: at school, at home, at church, at university

More confident use of both languages: Samoan and English

Actioning change: A project about learning and management of change

Action learning: learning from concrete experience – addressing real issues – learning with and from each other

Sharing visions

Developing a project proposal

Sustaining outcomes through GULL

Where do we see ourselves in 12 months time?

What could we have done differently and how?

What new skills do we need to learn?

What is going well?

What are we learning?

What is not going well?
